

# THE TRIANGLE NEWSLETTER

## FEBRUARY 2021

Thanks to you we are still here! Although most of our staff are not here, Margaret, Terry, Brian and myself are in the shop at varying times, to ensure that at least someone is available between 10.00 and 4.30 on weekdays. The phone will always be answered, or calls returned, at most times.

**WE HOPE WE WILL BE OPEN BEFORE EASTER, BUT WE STILL DON'T KNOW, SO PLEASE USE US AS MUCH AS YOU CAN – PRICES ARE COMPETITIVE and OUR SERVICE IS THE BEST WE CAN GIVE.**

So what is the first thing to remember? **LENT starts on Ash Wednesday, 16 February, leading us to the sad, joyous and important part of our faith.** It's not too late to find a good devotional or study title to use. There are some on the next pages, - many more on our online shop.

**THE REAL EASTER EGG – 2021** – This will **NOT** be supplied by any supermarkets or Amazon this year. **We WILL supply it, so order from us soon.** We can do bulk quantities too. There's also a new white chocolate version at the same price. Each type – small increase to **£4.50** this year. Small discount for bulk orders.

**EASTER CARDS** - These will also be on the online shop very soon!

**Reading real books** has become popular again over the past year.

Please consider us before ordering your Christian books from Amazon – **order from us and keep us as a Christian witness and mission on the high street. Our prices are competitive and service is prompt!**

We have a really **wide range of BIBLES now plus :**

books by Richard Rohr, Pete Greig, Lee Strobel, Adrian Plass, Joyce Meyer, C S Lewis, R.T Kendall, Tom Wright, Philip Yancey, Francine Rivers, Eugene Peterson and many, many more including colouring books, puzzles, humour, prayer, devotionals, encouragement etc....

Of course, most of you know we have many other products, many of which are shown on the online shop, and we are adding more all the time. I would urge you to use the facility, and tell your friends. So there is much to see. Please support us as much as you can!

**We will reopen at the earliest opportunity, not just for sales, but for our many customers who come fellowship. Many see us a haven in the town, and we really believe it continues to be our role.**

**So, as members please continue to pray for us and our outreach, and please consider increasing your monthly subscriptions, or one off donations if it is possible. I fully understand if, at the moment especially, you are unable to do this due to other demands on your commitments. Your own circumstances must be a priority. Thank you.**

Yours with the Lord's blessings, and our prayers for you all in 2021

Paul

### **STORIES OF OUTREACH –**

**During lockdown we have had some interesting outreach:**

**A bible the online shop, and sent to Kirkham in Lancashire, will be built into the foundations of a new church plant for the Light Church. They are building their church on the Word of God – literally!**

**Following a Speaking Volumes order from Send Prison, we made contact with the diocese, who requested any additional free material we could supply Send, and also Coldingley prison. We found some excellent books, mags and CDs for them. This was all very much appreciated**

### **RESOURCES**

**THE BIG CHURCH READ - This is a new initiative organised by St Andrews Bookshop at Great Missenden. The access is via website or via ourselves. They recommend a book every few months, to encourage Christian reading! If anyone wishes to take advantage of their offers, PLEASE order via ourselves as we have access to the same deals. For each title there are regular video presentations which are available to all. The present title is SINGING IN BABYLON by Jeff Lucas (See images)**

Want a deeper understanding of Prayer this Lent? This book's 40 day plan will equip you to understand more of prayer You'll find hope and a new perspective on what happens when

you pray Best-selling book from one of the leading Christian authors and thinkers,

From a very popular author and broadcaster. There's never a dull moment at Hope Hall, as its rooms are filled throughout the day with gossipy grandmas, body-popping teenagers, temperamental dancing teachers, a choir without one decent singer to their name, knitters who natter, caterers who bake glorious cakes, slimmers nibbling chocolate, and a nursery group where it's the grown-ups who are near to tears!

Jesus' life was by no means struggle-free. There were many things he found difficult. A book suitable for daily reading – not just through Lent
