

LEFT TO DIE but loved by God

John McCreedy leads us in examining the turbulent story of Hagar and what her story teaches us today about contemporary issues such as the refugee crisis, modern day slavery, racism, and homelessness.

This very relevant book concludes by looking at the subject of forgiveness and using the story of the unlikely reconciliation between Ishmael and Isaac presents a view of a possible peace through Jesus Christ between all three Abrahamic faiths, Islam, Christianity and Judaism and other religions

UNDER THEIR VERY EYES

**The astonishing life of Tom Hamblin,
Bible courier to Arab nations**

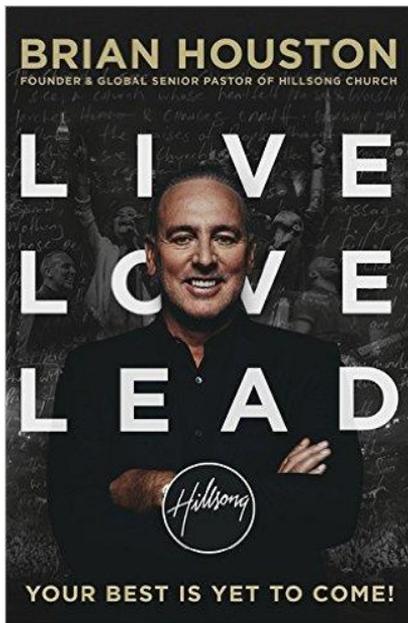

From a brutal and impoverished background in Reading, England, Tom Hamblin became a believer as a teenager before serving as a missionary in the Far East. He became convinced that the Lord was calling him to minister in the Arabic peninsula. Tom distributed Bibles very simply: walking around with a bag and waiting for people to ask him what he was doing.

Under Their Very Eyes is the remarkable and timely biography of a Bible smuggler to the Arab world that will stir the reader's spirit.
